

7.1.1 REFLECTION

After working with the “Roaring Twenties” for the last 8 days, reflect on the experience. I am looking for three paragraphs: 1) Describe the process of creating your Keynote/essay including anything you learned, how you researched, etc.; 2) Summarize the feedback you received on the 7.1.1 discussion page ([click here and it should take you there](#)) describing how others felt about your work; 3) Reflect upon your own work and describe steps you could take to make it better, even if your grade was 20/20. Export to PDF and upload to your wiki and link to your student page when finished.

Creating my music video was pretty fun. Although there were a few parts that were incredibly hard to rap, I thought I did pretty well. I also thought I used some good (and humorous) pictures in the video.

I received a lot of feedback on my project, and a lot of it was positive comments. Shaun said that it was okay, but white guys shouldn't rap... which I did **not** get at all. Jesse said that the picture of Anthony Kiedis was a little distracting, and he's probably right, but it did add to the humor concept!

There were a few things I could've done to make the project better, such as not using the picture of Anthony Kiedis. Or better yet, spelling Kiedis correctly! There were a few parts in the song where I stammered a little bit, but giving the lyrics at the end should've cleaned things up. Other than that, I think that everything went practically perfect!
